

RMTA members can take advantage of Canada Health Infoway's four time award winning online Practice management & appointment booking software for health providers at a discounted rate! The system, which includes electronic Charting, SOAP Notes, e-Docs, secure Intake Forms and invoicing, is easy to use and convenient for your clients. The system automates your practice management and communications, leaving you free to focus on your clients. For more information, go to [Click4Time's website](#). For information and for instructions on how to sign up please contact the RMTA office directly at 403-356-1160 or [info@rmta.ca](mailto:info@rmta.ca).
