

A change we are excited to announce is that our insurer, Novex, will now consider providing coverage to those members practicing out of country. Approval and pricing will be considered on a case by case basis. Please contact us well in advance of leaving country to practice to see if we can be of help with insurance.

As always, coverage is limited to active RMTA members who are practicing RMTA approved modalities. A list of approved modalities is enclosed. However, for those practicing additional modalities not approved by RMTA, we are often able to offer a coverage endorsement that will extend coverage to many other modalities. For these endorsements, a certificate of completion must be submitted directly to us along with an application. Premiums for additional endorsements will vary depending on the additional modalities but in most cases they will be similar or less than the premium for the basic RMTA liability policy.

If you have any questions or concerns, please contact us at 306-789-8384, 1-800-305-6737 or via email at sales@dusykbarlow.sk.ca. We look forward doing business together.

Best regards,

Rob Barlow, B Admin., CAIB
