

Welcome to the NEW Remedial Massage Therapists Association Insurance Plan! *Affordable coverage that helps meet your unique needs*

We are pleased to inform you that we now have a group insurance plan with Sun Life Assurance Company of Canada, giving you access to comprehensive insurance at affordable group rates.

The plan is designed to help protect your income, your practice, your retirement savings and ultimately, your lifestyle, in the event the unexpected happens.

Affordable coverage

As a member of RMTA, you benefit from group, rather than individual, underwriting and our buying power. You can take advantage of low group rates¹ which are generally lower than individual rates. The low rates available through RMTA are designed to provide you with insurance you can easily afford. Take a look at the rate card as you may be surprised at how affordable coverage can be! See the [Rates](#) table for details.

Convenient access

Sun Life's website, mysunlife.ca and mobile app make benefits easier for you by offering an impressive range of self-serve options. For example, you can submit health and/or dental claims online or with your phone and usually get your money back within 24 hours.

What's available under the new plan

Term Life Insurance: You can protect yourself and your spouse with \$1 million of coverage.

Critical Illness Insurance: You and your spouse can get coverage for 11 serious illnesses.
